

TANK LEAK PREVENTION DAYS 2023

International Training by FENOTEC and SGB, vol. II

29-30 March 2023 in Siegen, Germany

INVITATION TO TRAINING AND CULTURE

Tank high tec made in Germany: Learn more about leak protection linings and leak detection systems in one of Germany's most attractive and greenest areas that also can look back on a long and significant economic history.

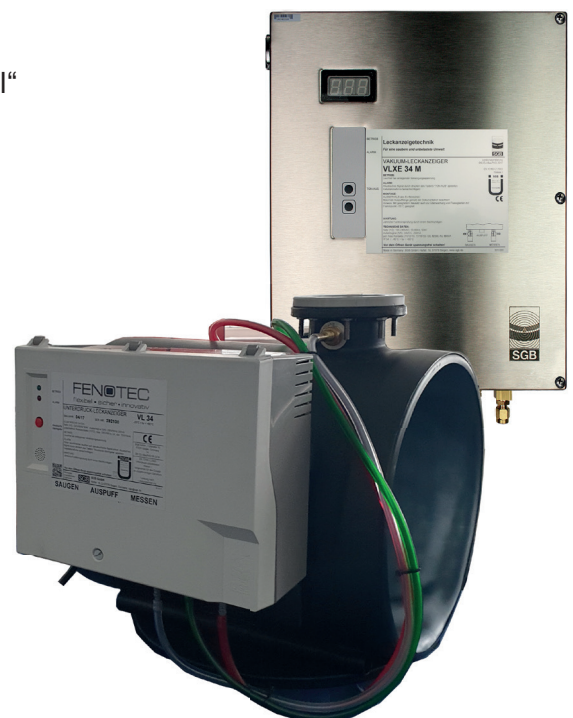

Our experts:

- FENOTEC offers the only leak protection lining for all common fuels with DIBt approval.
- SGB is the inventor and European leader of dry leak detection systems.

We would like to invite you to our combined training days at the SGB production site in Siegen, Germany. The course language is English.

Training content includes:

- Explosion protection installation of the liner „fenosafe fuel“ for all fuels incl. gasoline
- Ex leak detectors VLXE 34 M, VLXE .. Ex MMV
- Particularities when installing the liner „fenosafe fuel“ for all fuels incl. gasoline – lessons learned of more than 600 installed liners
- New liner for hybrid vegetable oils, biodiesel and a wide range of chemicals such as acids, alkalis, esters and ketones, hydrocarbons
- Prefabricated fleece in one piece
- Particularities concerning the accessories
- SGB factory tour

Registration is binding. If the number of registrations is too low, we reserve the right to cancel the training.

Costs: 480 EURO per participant, including training, evening program, catering. Payable after the event.

Accommodation is not included! There is a call-off contingent at the hotel „Holiday Inn Express“, www.hiexpress.com/siegen. You can book your room at a rate of EUR 99,- incl. breakfast until 28th February 2023 with the keyword „SGB GmbH“.
